Welcome to the north coast of Jamaica

Montego Bay, the capital of St. James Parish on Jamaica's north coast, is a major cruise ship port with numerous golf courses and popular beaches such as Doctor's Cave Beach and Walter Fletcher Beach.

There's snorkeling and diving at coral reefs in the protected waters of Montego Bay Marine Park.

Ocho Rios is located in the middle of Jamaica's northern coastline. It was formerly a fishing port and was also known for its banana exports. Today, it is a picturesque resort town with stunning waterfalls and beaches and interesting colonial-period buildings.

Ocean Coral Spring Resort lies on a pristine stretch of beach between these two towns. When not indulging in the many activities available – horseback riding, polo, golf, tennis, shopping, scuba diving, deep-sea fishing, swimming or sunbathing – there are a number of interesting sights worth seeing such as Rio Nuevo, Port Maria and Dunn's River Falls.
